WPBSA Child Protection/Safeguarding Policy & DBS check

As the governing body for Snooker & Billiards, we have a legal responsibility to ensure that our coaches are regulated throughout their WPBSA coaching status.

A DBS check must be carried out on all **UK based** WPBSA coaches who intend to perform a “regulated activity”, which is defined as an unsupervised activity with a child, on a weekly basis or at least 4 times per month.

Where you declare that you will perform a regulated activity, you will need to undertake a DBS check and assuming that this is passed, you will be given a WPBSA Children and Adults coaching licence. In order for us to perform this check on you, you will need to complete the DBS application form and bring this along with the relevant identification to your coaching course. All details will be emailed to you prior to the course date.

After your coaching course, we will then start your DBS check online through www.disclosures.co.uk. They will send you an email with login details where you need to login and complete your side of the DBS check and submit this. Once the check has been completed, you will be issued with a DBS certificate to your home address. When you receive this you must sign up to the DBS update service using your certificate details, by going to <https://secure.crbonline.gov.uk/crsc/subscriber>, click on “Subscribe to the Update Service” and complete your registration. This must be done within 30 days of the certificate date. There is an annual subscription fee for this which is currently £13 per year. You then need to post the original certificate out to us for verification.

If you are based overseas or you declare that you **do not** perform a regulated activity, we are not permitted to perform a DBS check. UK Based coaches that do not require a DBS check will be issued with a WPBSA Adults only coaching licence. For Overseas coaches, you will be issued with an Overseas coaching licence. Further details can be found on our Child Protection Policy: <http://www.wpbsa.com/coaching/become-a-coach/child-protection>.

Please bear in mind that if you are UK based and start performing a regulated activity at any time, without a WPBSA Children and Adults licence, you will be in breach of the WPBSA child protection policy. If this changes at any point, please e-mail: lisa.bray@wpbsa.com to confirm your declaration.

The cost of your DBS check is £48.16 and is payable to the WPBSA. If you do state below that a DBS check is required, this amount will be added to the cost of your coaching course.

Do you intend to perform a “regulated activity”? YES* / NO (tick as appropriate)

*By ticking “Yes” above, you acknowledge an extra charge of £48.16 will be applied to the cost of your coaching course.

I agree that I have read and understand the above statement in relation to child protection, and declare that it is my responsibility to inform the WPBSA to any changes in my declaration:
